Hey all. I have been having discussions with the head of FedCon, and we will be hosting the Star Trek Fan Film Festival at FedCon 2015. So far [Nick J Cook](#) at Star Trek: Intrepid, [Greg Lock](#) at Star Trek: Ambush and of course my mates at Star Trek: Phase II are all interested. Nick and Greg will likely join me there. Hopefully it will also be the European premier of Axanar. If you want to participate (you need not be there, just send us your reel), we have a limited # of slots, but will try and accommodate everyone.

I am also working with one of the biggest US conventions to host a US Star Trek Fan Film Festival.
