CASTING ANNOUNCEMENT/BREAKDOWN: STAR TREK AXANAR:

TITLE: STAR TREK: AXANAR

PRODUCER: ALEC PETERS

DIRECTOR: CHRISTIAN GOSSETT

DESCRIPTION: Feature Film. Science Fiction Drama. Set in the Star Trek universe 20 years before the time of Kirk, Spock & McCoy. Axanar is the story of Garth of Izar, the legendary captain who won a decisive victory at the Battle of Axanar.

FORMAT: HD Video, SAG New Media

LEADING ROLES:

KENJI TANAKA: (Male 40's) Japanese American. Co-Star. Second in command of the USS Ares and Captain Garth's First Officer and best friend. Tanaka is a warrior in the samurai mold, embodying a peaceful demeanor with martial prowess.

CORAX: (Female 30's) Caucasian. Co-star. Brunette and slightly exotic, Corax is the USS Ares Intelligence Officer. Unbeknownst to all but Garth and Tanaka, Corax is an Antoisian and thus a shape shifter. She will find her way behind Klingon lines and be instrumental in the battle to destroy the new Klingon ships.

TARA WAGNER: (Female low 30's) Caucasian. Co-Star. Smart, tough and beautiful, Tara is the USS Ares tactical officer. She handles the ships offensive systems on the bridge and leads landing parties with the ships Red Shirts (think Navy SEALs). Tara is similar to Shelby in TNG's "Best of Both World's", but with a tough physicality. The actress should be fit and athletic.

SUPPORTING ROLES:

Kaine: (Male late 20's-30's) Communications officer

Cross: (Male late 20's-30's) African-American. Pilot of the USS Ares.

Hyree: (late 20's-30's) Open. Strategic Warfare Officer. Man's a new system on the USS Ares when Garth is given Fleet command.

TEAM PITCH

Axanar is a ground breaking film, meant to show that web features can be the equal of their TV/cinema counter-parts. The crew is lead by professionals with a large contingent of non-union amateurs who have worked together for years on similar projects. Established talent anchor the cast.
