Ian:

My info is below. I am in Port Henry, New York working with James Cawley on STar Trek: Phase II at the moment. Give me a call.

FYI, The STar Trek Prop, Costume & Auction blog is the # 1 resource for collecting screen used Star Trek props & costumes on the Internet. I average over 5,000 unique readers a month (Google Analytics) and have done a special feature on the Star Trek II: The Wrath of Khan Blu Ray DVD. The company I won, Propworx, is dfoing the official Star Trek prop & costume auction this August at the Creation Star Trek Convention.

Give me a call and we can chat.

Hi Alec,

As we had discussed a while ago, we'd love to have you bring a bit of your authentic Trek prop/costume expertise to the new [StarTrek.com](http://StarTrek.com) in the form of the occasional guest blog/feature/post. To that end, please meet Ian Spelling, who is handling editorial direction and oversight as we get the site up and running in the coming weeks?

Ian, Alec, Alec - Ian! I'm looking forward to reading what the two of you cook up...
