Alec Peters

Hey all!

My name is Alec Peters and I am the producer of Star Trek: Axanar, an independent Star Trek feature that will be released on the web. We don't call it a "fan film" because we have so many pros involved and plan to make a ground breaking film. Our DP is a 3x Emmy Winner, and the film is directed by Christian Gossett, the guy behind The Red Star.

Axanar is the story of Garth of Izar and the Battle of Axanar. It is set 20 years before TOS and our cast is lead by Richard Hatch as the Klingon Kharn.

We have a \$ 150,000 budget, almost half of which I have committed myself. What we need as we work towards our Kick Starter, is getting the word out. Can you all please post this link to your feed and put in a good word? We have increased our likes by 50% just this past day, and your help will be appreciated.

Thank you all!

Star Trek: Axanar

"Axanar" takes place 21 years before the events of "Where no Man Has Gone Before". It is the story of Garth of Izar, the legendary Starfleet captain who is Captain Kirk's hero and the role model for a generation Starfleet Officer's. Garth charted more planets than any other Captain and was the he...
